

WHAT IS THAT SOMETHING

what
is
that something,
that something
that makes
me
so close
to you,
that makes
you
so close
to me,
but yet
that makes
us
so far
from
each other?

what
is
that something,
that something
that makes
me
against
this system,
that makes
you
against
this system,
but yet
that makes
us
against
each other?
what
is
that something,
that
something
that makes
me
fight
this rotten
system,
that makes
you

fight
this rotten
system,
but yet
that makes
us
fight
each other?
what
is
that something,
that something
that makes
us
brothers,
real
brothers
in arms?
let
us
find
that something.
